

## Evolutionz Face & Body Art's Service Guarantee

It is our goal at Evolutionz Face & Body Art to provide service that exceeds your expectations. I promise the following:

**All Inclusive Pricing.** The rate you are quoted is the rate you pay! There aren't any extra add-on charges for mileage, glitter, deluxe designs, touch-ups, or custom designs.

**DOJ Verified.** Rest assured all artist(s) and helpers have been prescreened to insure you and your guests safety.

**Professionally Trained Artist(s).** I constantly seek opportunities to improve my skills through traditional art classes, workshops, and demos. I stay up to date with my industry to offer you the latest and greatest designs, supplies, and service.

**Adaptable.** As a skilled artist I'm not confined to a list of designs or picture board. Your guests are free to request practically any character, logo, animal, or design they desire.

**Follow-up.** Our relationship doesn't begin or end with your event. You can expect a confirmation phone call or email prior to your event and a customer satisfaction email following your event. Additionally we're in the know about events in the area. Make sure you stay connected on [Facebook](#) and [Twitter](#) as we post fun and often times free events for families throughout the greater Milwaukee area.

**Best Price Guarantee.** Our prices are already competitive, but if you find an equally skilled artist offering a lower price we will match that price! Year after year I'm hired repeatedly by the same families and I truly value this repeat business as a way of showing my appreciation you will always pay your original rate regardless of current advertised prices.
